**THIS WEEK IN PARISH HISTORY**

By: Jack Bockey

St. John's Annex, now St. John's Preschool was built between 1965-1966 when Fr. Schill was here. Administered by the Tiffin Franciscan Sisters, Grades 3-6 attended classes there. The first classes in the annex were on January 3, 1966.

**HEARTBEAT OF LIMA**

By: Regina McClure, Lector, Liturgy Committee Member,

Welcome Participant

The Right to Life issue is something I have always felt passionate about and so several years ago decided to become involved at the local level by volunteering some of my time at the pro-life pregnancy center, Heartbeat of Lima. After a couple of years in the volunteer capacity they offered me a part-time position which I gladly accepted. It has been a very rewarding experience! With the anniversary of *Roe v. Wade* and the March for Life fast approaching, I thought it would be a good time to give you a look into what Heartbeat of Lima does.

Heartbeat of Lima opened in 1973 to give young women the assistance they needed to choose life for their unborn babies. Our mission statement is "Heartbeat of Lima exists to create an atmosphere where every human heart feels cherished." We value the dignity of every life, and provide opportunities for young women and men to do the same in their families.

At Heartbeat, we meet young women who are at a pivotal time in their lives. Because of their possible pregnancy they are often afraid, anxious, and very worried. Our goal is to provide them with Hope for their future, Education to give them knowledge and confidence, and the Resources necessary to accomplish those things. We give them the possibility of choosing life for their baby!

Heartbeat offers free pregnancy testing and ultrasounds in a caring and compassionate atmosphere. We strongly encourage the clients that come in for pregnancy testing or ultrasounds to join our parenting program where they meet individually with a volunteer twice a month. At the meetings they complete a lesson that is specifically directed toward the age or development of their child, or concerns of a life skill they need. All lessons are designed to strengthen and develop good parenting and life skills. We also offer classes to prospective fathers who are planning on being involved in their child's life. We have male volunteers who lead these classes.

The interaction we have with the clients in our parenting programs not only educates them, but for many, shows them a different side of life. It also shows them that they are not alone, that there are compassionate people who care about them. In addition to the education they receive, our clients earn points for being in the classes. They can use the points to "purchase" such items as diapers, formula, and clothing for their child.

If someone is adoption minded, we have an attorney who will meet with the mother and father (if involved) to answer any questions they may have. We also encourage them to enroll in the classes which also cover a healthy pregnancy. If they do choose adoption, the attorney will work with them throughout the adoption process. There is no cost to the young woman even if she changes her mind and chooses to parent the child.

Heartbeat also does classes at the local public and private schools for 6th to 12th grades. These classes focus on healthy relationships and healthy life choices and are called Relationships Under Construction (RUC). We also offer a post-abortive support group, H.E.A.R.T. – Healing the Effects of Abortion Related Trauma. This can also be an individual class.

Heartbeat of Lima has never received any state, federal or United Way funding. Our main source of income is from individuals, churches, fundraisers, small grants/family foundations. We could not do what we do without the support of the community and volunteers. If you are at all interested in volunteering at Heartbeat, please give us a call at 419-222-7945 and we will let you know how you can get involved.

### WORKSHOP FOCUSES ON PURSUIT OF JUSTICE

Dominican Saints Thomas Aquinas and Catherine of Siena both wrote extensively on the need for virtue in the life of a Christian. Pope Francis also focused on virtue in his letter, Rejoice and Be Glad.

Sister Geneal Kramer, OP, a Dominican Sister of Adrian, explores these insights and the ways we can internalize virtues in our life journey. Her presentation, The Pursuit of Justice and Other Needed Virtues, is offered via live stream from 1:30-4:00 p.m. EST on Tuesday, January 18, 2022. Sister Geneal, a retreat director and spiritual director, was a Professor of Practical Theology for St. Norbert College and Mount St. Mary Seminary in Cincinnati, Ohio.

The workshop is free and donations are appreciated. Registration is not required. The live stream is available at <https://webercenter.org/justice>. For information, contact Weber Center at [webercenter@adriandominicans.org](mailto:webercenter@adriandominicans.org) or 517-266-4000.

## DIOCESE

### 2022 DRUM MAJOR AWARDS

This year, Bishop Thomas will be presenting the diocesan Drum Major Awards in our deanery. He will be celebrant for the 10:30 a.m. Mass for Promoting Harmony at St. Charles (2200 W. Elm Street, Lima, OH 45805) on Sunday, January 16. At this Mass, he will present the 2022 Drum Major Awards.

A boxed lunch will follow the Mass. To reserve your place at the lunch, please RSVP to [drummajorlunch@stcharleslima.org](mailto:drummajorlunch@stcharleslima.org) by Monday, January 10.

The Drum Major Awards recall the legacy of Reverend Doctor Martin Luther King, Jr. Persons from every race, creed and color supported Dr. King's call for peace, justice, and racial equality. The Drum Major awards are given to individuals who are openly and actively supporting the Church's social teaching and racial justice, call for peace where there is conflict, serve the disenfranchised in their community, and strive for racial equality.
