## MASS REMEMBRANCE CARD SETS FOR MOTHER’S DAY

Mother’s Day cards are now available, each accompanied by a return envelope for you to share the names of your mothers. This will allow us, as a community, to honor and remember them during a triduum of Masses. These collective intention Masses are scheduled as follows: Sunday, May 11th at 9:15 a.m., Monday, May 19th at 8:00 a.m., and Saturday, May 31st at 8:00 a.m. Please keep the card and the envelope to give to your mother, grandmother, or another cherished figure in your life. As envelopes are returned, we will compile the names into a book that will be placed before the statue of the Blessed Mother for the entire month of May. This book will serve as a meaningful tribute to our mothers and a symbol of our prayers for them during this special time. To meet the printing deadline, envelopes must be returned by Monday, May 5th at Noon. Please make note of this strict deadline.

## OUR SCHOOL/PARISH

## THIS WEEK IN PARISH HISTORY

This year's school musical is *Oklahoma*. This will be the 4th time in our school's history that this musical has been performed. The first time was in 1951 although it was called *Green Grow the Lilacs*. This was the original name before Rodgers and Hammerstein adapted it and named it *Oklahoma*. The year before, Miller City beat St. John's in the Regional Basketball Tournament game, so when it came to the song *everything's up to date in Kansas City*, Fr. Herr had the words changed to *everything's up to date in Miller City*. *Oklahoma* was also performed in 1967 and 2011.

## ST. JOHN'S CEMETERY MAINTENANCE PROJECT

Thank you to everyone who has donated or pledged funds to this project. As of January 31st, \$35,405.00 has been pledged and/or received. After considering the cost and benefits of repairing versus replacing the maintenance building at St. John's Cemetery, the Cemetery Board has recommended to Bishop Walsh that the building be replaced. The maintenance building's current condition requires a new roof, the rafters need to be straightened or replaced and the two garage doors replaced due to the damage from the sagging rafters. Currently, the entire building is heated during the winter season to keep the water system from freezing. A small heated room needs to be constructed around the water system to save on the utility cost. We also looked at larger garage doors for ease of moving the tractor and dump truck in and out of the building along with raising the rafters to allow maintenance work on the equipment to be done inside the building. The cost of a new metal pole building, the same size as the current building, keeping the current concrete floor, is estimated at \$54,407.00.

The Diocese requires that the estimated funds be received or pledged before the project is started. The Cemetery Board is asking for your help for this project. Please consider making a donation or pledge by completing the bottom portion of this letter and mailing, or dropping it off at the Ministry Center, or placing it in the Sunday collection basket. Your support is greatly appreciated. St. John's Cemetery Board
