OUR SCHOOL/PARISH

THIS WEEK IN PARISH HISTORY

The original pews of our church were made of oak and were divided at the pillars. This may be why the Communion line is the way it is today. In the transepts, some of the pews were made of black walnut as these were from the 2nd church, where they were installed in 1856, and brought to the current church when it was built. The original pews were replaced with the current ones in 1950. Some original pews were left in the choir loft until 1998 when they were replaced and auctioned off.

ST. JOHN'S CEMETERY MAINTENANCE PROJECT

Thank you to everyone who has donated or pledged funds to this project. As of January 31st, \$35,405.00 has been pledged and/or received.

After considering the cost and benefits of repairing verses replacing the maintenance building at St. John's Cemetery, the Cemetery Board has recommended to Bishop Walsh that the building be replaced. The maintenance buildings current condition requires a new roof, the rafters need to be straightened or replaced and the two garage doors replaced due to the damage from the sagging rafters. Currently the entire building is heated during the winter season to keep the water system from freezing. A small heated room needs to be constructed around the water system to save on the utility cost. We also looked at larger garage doors for ease of moving the tractor and dump truck in and out of the building along with raising the rafters to allow maintenance work on the equipment to be done inside the building. The cost of a new metal pole building, the same size as the current building, keeping the current concrete floor is estimated at \$54,407.00. The Diocese requires that the estimated funds be received or pledged before the project is started. The Cemetery Board is asking for your help for this project. Please consider making a donation or pledge by completing the bottom portion of this letter and mailing, or dropping it off at the Ministry Center, or placing it in the Sunday collection basket. Your support is greatly appreciated. St. John's Cemetery Board

DIOCESE

2025 ANNUAL CATHOLIC APPEAL

The 2025 Annual Catholic Appeal is an annual call to action, uniting all nineteen counties of the Diocese of Toledo in stewardship. It is a crucial initiative that empowers us to contribute to our diocese's sustainability collectively. As we strive to live out this call to action, we aim to deepen our connection with the heart of Christ and share that love abundantly with others. This year, the appeal seeks to raise \$3.25 Million across the diocese to support and enhance critical ministries and services such as: education, charity, spiritual formation, pastoral ministry, parish assistance, and more.

Our parish at Delphos St. John the Evangelist will be accountable to the goal of \$31,463.50 and will receive a rebate of 50%, free from the Diocesan assessment, after exceeding our goal amount. Every gift is tax-deductible, and no gift is too small. We kindly ask all families to pray for the Appeal's success and consider donating.
